Dear Congressman Crowley, Assemblyman Gjonaj and Councilmember Vacca,

Thank you for your letter regarding the area of the Bronx known as Allerton. We have been made aware of the desires of neighborhood residents to be recognized on City maps, and are in the process of adjusting our maps and data accordingly. Please be aware that while there is no formal legal process for defining neighborhood names within the city, the Department makes every effort to ensure our information is updated and reflective of common parlance.

Thank you for bringing this matter to our attention, and please do not hesitate to reach out with any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Barth".
